Certified Healthcare Security Officer (CHSO) Certification

...

When I took it I used a manual that was two versions out of date and still passed with an 83% my first time through. That was in 2007. I've since let it lapse, retaken it, let it lapse again, and finally this past spring took Basic, Advanced and the Supervisor tests.

Has anyone here taken this test? : securityguards

The IAHSS tests are a breeze. THEY are almost entirely common sense and are online (open book). Do not waste money on the practice tests, just read the books and learn the information. The BASIC is the longest book, and covers the most topics. It is a general overview of healthcare security, and is a general overview of industry standards.
