Ten years ago, I came across a book called, "Making a Living Without a Job". In it were the concepts of how a person could make a living without having a job (obviously). Nothing too profound really, but it helped the me of 2005 reinforce the way I was already thinking, which was "I want to be

able to make a living independently and I want it to come from multiple sources”.

Living without a family makes us more vulnerable. The concept of “family” is idealized a lot. The truth is there are always problems in families. Just like with couples, families are also full of contradictions. They're made up of humans, and so there is always a mix of noble feelings and negative passions.
