Amazon.com: Customer reviews: Manners Time (Toddler Tools)

GREAT introduction to manners and social cues for the youngest kids and/or younger kids with a hard time with those social behaviors. And there is a great, easy "parents and caregivers" section in the back. I really have to look into the entire series of "Toddler Tools" that Free Spirit Publishing puts out!

It's true - you'll never get your 2-year-old to chew with her mouth closed. But you might be surprised what she can learn if you focus on conveying the idea of manners, the principle that there are ways to behave and ways not to behave. Your toddler has actually been learning this lesson for some time now, as she tests limits and gauges your reactions.

How to teach your toddler manners | BabyCenter

With the Toddler Tools series, I want to help families build life skills while they have fun reading together. During the toddler years, daily routines and transitions—bedtime, naptime, clean-up time, and so on—are big challenges, and every little success matters.
