Because there's an existing library within you, filled with intuition, experiences, and most importantly, is one that is moldable to change. Share your life lessons with the world.

## 16 Powerful Poems About Life By Rumi On How To Be Human

This poem contemplates a question arising from the idea of creation by an intelligent creator. The question is this: If there is a loving, compassionate God or gods who created human beings and whose great powers exceed the comprehension of human beings, as many major religions hold, then why would such a powerful being allow evil into the world.
