One reason some people read in the bathroom is because it is one of the few rooms in the home where privacy is routinely respected. A child may burst into a parent's bedroom unannounced, or a spouse may share time in a den or living room, but the bathroom is generally considered the home's Fortress of Solitude.

13 Ways to Create a Zen Bathroom - The Spruce

A bathroom is a room for personal hygiene activities, generally containing a toilet, a sink (basin) and either a bathtub, a shower, or both. In some countries, the toilet is usually included in the bathroom, whereas other cultures consider this insanitary or impractical, and give that fixture a room of its own. The toilet may even be outside of the home in the case of pit latrines.
