Auto Dealers: Here's How to Target Facebook Ads - 9 Clouds

With the following three digital targeting strategies, all auto marketers can modernize their outreach and make a greater impact online. 1. Think outside the circle. Local car dealerships often target consumers within a specific radius surrounding their location, assuming that their best customers are those that are nearby.

3 Essential Digital Targeting Strategies for Auto Dealers

There are a variety of ways of segmenting the market for cars. Remember that market segmentation should be focused on consumer groups and their needs, not on the class of car. This means that classifying different types of cars (such as sedans, people movers, convertibles, and so on) is NOT an acceptable approach to market segmentation.
